Since this was my first time, she helped to educate me on everything I needed to know and look out for. She truly put all of my needs first. Char and her team were nothing but amazing. We had to relocate from San Diego to Iowa in a very short amount of time. Finding a home is stressful but finding a home in a complete different state remotely and pregnant is a whole new type of stress. Char was very hands on with us and was so patient with us. Considering we could not physically go see homes she went above and beyond to record all the walk through and even did it live with us. Even after we closed she still text me and checks in. Love her and her staff. If you're looking for a realtor who actually cares for her clients do not hesitate to reach out to her. It felt so natural and not a business deal. Can't say how much we appreciate you Char!!

★★★★★ **Kristy in Urbandale**

Even in an extreme seller's market, my offer was accepted as soon as the sellers agent presented my offer. If you're serious and ready to buy or sell, Char is the one to call.

[When buying our] first home, Char walked with us for a year. Throughout the process, Char was patient with us. She explained features in the homes we toured, so we ended more knowledgeable than when we began. She was available for us whenever we needed her.
